## Hunt for the Skinwalker: Science Confronts the Unexplained at a Remote Ranch in Utah by Colm A. Kelleher, Ph.D. and George Knapp

For more than fifty years, the bizarre events at a remote Utah ranch have ranged from the perplexing to the wholly terrifying. *Hunt for the Skinwalker* is the firsthand account by team leader Colm Kelleher, Ph.D. and Emmy award-winning journalist George Knapp of how these research scientists set about studying bizarre events on this remote ranch. With their backgrounds in mainstream physics, biochemistry, and veterinary studies, the team left no stone unturned in their objective search for the truth.

Producer, Jeff Sagansky and producer/writer Mark Victor have optioned *Skinwalker* for a feature film. Jeff Sagansky has a career of 25 years in senior positions in the television, entertainment and motion picture business. He recently served as President and CEO of PAX-TV and prior to that was Co-President of Sony Pictures entertainment.

Colm A. Kelleher, Ph.D., is the author of the national bestseller *Brain Trust*, a groundbreaking expose of the hidden connection between mad cow disease and Alzheimer's disease. He is currently a senior research scientist in the biotechnology sector.

George Knapp is an eight-time Emmy Award-winning journalist whose reporting on Nevada's infamous Area 51 military base was selected by UPI as Best individual Achievement by a reporter in 1989. He is an anchor and reporter for the CBS affiliate KLAS-TV in Las Vegas and he also writes an award-winning weekly column for a Las Vegas newspaper.
